

## Pension Matters

---

For all your workplace  
pension news

Dear

At Royal London, we're always looking for new ways to improve our products, streamline our services and enhance our communications.

This newsletter will keep you up to speed with everything we're doing to make your life easier, while helping your employees see the value of your investment in them.

### What's inside?

In this issue, we dig into why our mutuality matters – and consider what the latest changes to State Pension age could mean for your employees.

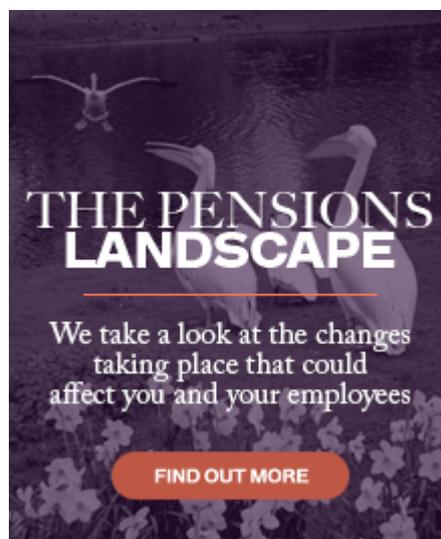

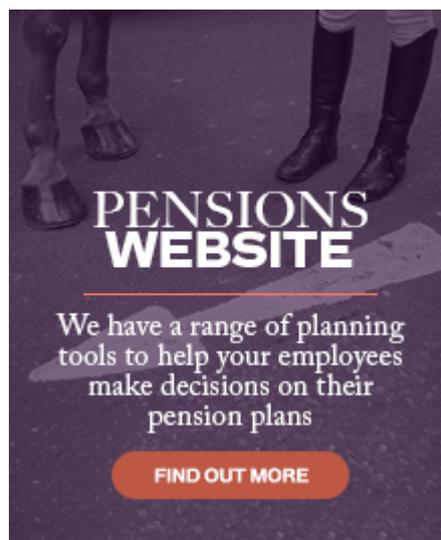

Our experts also look at some of the latest topical issues from the wider pension's arena, which you could use to kick-start a conversation with your financial adviser.

### Find out more

Visit the [employer hub](#) to catch all our latest news and updates in one handy place.

Kind regards

**Colin Mitchell**  
Head of Pensions Proposition Design

We exist for one sole purpose – to deliver the best possible experience and outcomes for you, our members and customers. Here we take a look at why our mutuality should matter to you.

---

## Our Investment Governance is independently endorsed

Our investments are reviewed regularly. This means we make sure that they continue to meet their objectives and are performing as they should – giving you the best possible returns for your employees.

## Have your say

We'd love to hear what you think of Pension Matters.

Send us your thoughts on our employer hub page.

HAVE YOUR SAY

---

## Millennials are willing to save more

Our research shows the important role that you have in ensuring that your employees are able to take advantage of every saving opportunity available to them.
