Dear

Reduced charges on your pension plan

As part of Royal London's continued commitment to offer you value for money, we're pleased to tell you that they've reduced the charges on your pension plan.

What's changing and when?

Royal London have reduced the charges on your **Retirement Solutions Company Pension Plan** from 30 November 2018 to a maximum ongoing annual management charge of 1%, plus the cost of any Fund Based Renewal Commission or charges for our transfer value enhancement option that might apply.

Annual statements issued after this date will reflect the reduced charge.

Do I need to do anything?

You don't need to do anything the changes happened automatically.
