

Did you know that our pension provider is changing?

We've decided to move our pension plan to Royal London. Royal London are the UK's largest mutual life, pensions and investment company, and as pensions experts, they aim to make saving for your future as easy as possible. You were given the option to join the existing pension plan but you decided not to. This leaflet tells you more about what this means for you.

I was given the option to join the existing plan but I decided not to.

1. You have the option to join the new plan.

2. For more information about the new plan, go to yourplan.royallondon.com

4. If you don't want to join, and your age and earnings change, you might be automatically enrolled into the new plan in the future.

3. If you want to join the new plan, you should let us know in writing.

5. If this is the case, we'll send you more information nearer the time.
