

Did you know that our pension provider is changing?

We've decided to move our pension plan to Royal London. Royal London are the UK's largest mutual life, pensions and investment company, and as pensions experts, they aim to make saving for your future as easy as possible. We've postponed your assessment date. This is when we'll review your age and earnings to work out whether you should be enrolled into the plan automatically or given the option to join. This leaflet tells you more about what this means for you.

My assessment date has been postponed.

1. You should already know your postponement date. If you're not sure, speak to us.

2. If this date is before the new plan starts, you may be automatically enrolled or given the option to join the existing plan.

5. Regardless of when your postponement date is, you'll have the chance to opt out if you want to.

4. If this date is after the new plan starts, you'll be automatically enrolled or given the option to join the new plan.

3. Your contributions will go into the existing plan for a short time and will automatically go into the new plan once it starts.

6. For more information about the new plan, go to yourplan.royallondon.com
