

Welcome to the latest issue of Pension Matters.

In this issue we'll share articles to help you in the day to day running of your scheme. We've also included details about what was in our most recent customer newsletter which you can share with your employees.

How well do you know your employees?

To make sure we're giving employees their plan documentation correctly first time, there's some key information we need you to tell us when you're enrolling new employees into your scheme.

Making the correct contributions to your employees' pension plans

We're seeing an increase in the number of incorrect employee contributions being made to schemes which affects tax relief claims.
