## Your yearly pension statement

Scheme name: Newco **Company** Pension Plan

We're pleased to enclose your latest yearly pension statement.

We've designed this statement to help you understand your pension savings. We'll summarise how your account has performed over the statement period, the charges you've paid and how the future might look.

Please read your statement carefully and keep it with your other pension documents. We're happy to provide your documents in a different format such as Braille, large print or audio, just ask us when you get in touch.

You can get an up-to-date account value at any time using our mobile app or by logging in to online service.

### Your new look statement

Your yearly statement looks a bit different. This is because of new legislation introduced by the government to make sure all pension providers send their statements in the same way for certain types of pension plans. It still includes all the important information you need to keep track of your account.

## Keep us up-to-date

It's important you tell us as soon as possible about any changes to your personal details, such as your name or address. You can let us know by giving us a call or by visiting [royallondon.com/update-your-details](https://royallondon.com/update-your-details)

Yours sincerely

*RL Basham-Jones*
